## Portable Floorstanding Projection Screen 1220x910mm

## 1901955

## **Product Description**

This almost magical carry case turns into a full-sized projection screen in less than 5 seconds. The lightweight aluminium design is ideal for the travelling presenter or for use in meeting rooms where a screen cannot be attached to the wall. To set-up: swivel the feet of the integrated case to the front, release the catches and open case and then simply pull the screen up to the desired height. The pressurised air system behind screen gives it maximum stability and requires no fastening. To put away: simply push back down the screen into the integral robust carry case.

## **Product information**

Gross weight 8.66kg

## **Retail Packaging Information**

 Depth
 200mm

 Width
 1435mm

 Height
 200mm

 Gross weight
 10.60kg

 UPC#
 5028252172370
