ClickSafe® Keyed Lock for Dell® Laptops — Master Keyed

K62845M

Product Description

Give your employees superior and effortless laptop security with the ClickSafe® Keyed Laptop Lock designed for Dell® laptops and tablets. One-click, keyless engagement combines with premium materials and anti-theft technology to make protecting laptops easier than ever.

Features

0.20kg

- · Tamper-resistant, disk-style lock provides near-impenetrable theft protection
- ClickSafe® Lock provides one-step security after a modified ClickSafe Security Anchor has been installed into the wedge lock slot on some Dell laptops, increasing employee compliance
- · Carbon steel cable resists cutting attempts and anchors to desk, table or any fixed structure
- Pivot and Rotate cable provides superior laptop engagement
- Independently Verified & Tested for industry-leading standards in torque/pull, foreign implements, lock lifecycle, corrosion, key strength and other environmental conditions
- Register & Retrieve[™] program allows you to order replacement keys
- · Master Access allows both the user and administrators to unlock or reset locks at any time

Specifications

- Best For Laptops
- Brand Dell
- Lock Type Master keyed
- Engagement Type Clicksafe
