Product Description

Give your employees superior and effortless laptop and peripheral accessory security with the ClickSafe® Keyed Twin Laptop Lock. One-click, keyless engagement combines with premium materials and anti-theft technology to make protecting laptops and another device, like a monitor, external hard drive or docking station featuring a Kensington Security Slot, easier than ever.

Features

- Give your employees superior and effortless laptop and peripheral accessory security with the ClickSafe® Keyed Twin Laptop Lock. One-click, keyless engagement combines with premium materials and anti-theft technology to make protecting laptops and another device, like a monitor, external hard drive or docking station featuring a Kensington Security Slot, easier than ever.
- Two lock heads allow you to secure a laptop and a peripheral accessory
- Tamper-resistant, disk-style lock provides near-impenetrable theft protection
- ClickSafe® Lock provides one-step security after Security Anchor has been installed into Kensington Security Slot™ found on most laptops, increasing employee compliance
- Carbon steel cable is cut-resistant and anchors to desk, table or any fixed structure
- Register & Retrieve™ program allows you to order replacement keys
- One-handed engagement without need to use a key
- Master Access allows both the user and administrators to unlock or reset locks at any time
