

Retail Shipper for Wireless Red Laser Presenter

The presenter that helps you make your point

K72410EU

Product Description

When you've got a Kensington presenter, you've one less thing to worry about. Kensington's wireless presenters are designed with intuitive controls and thoughtful features that help you focus on what truly matters: your audience.

Features

- Red laser pointer perfect for highlighting your main messages
- 2.4GHz wireless USB receiver prevents interference and stores inside presenter when not in use for safe keeping
- USB receiver deactivates battery when inserted into presenter for storage preventing accidental battery drain
- Comfortable and easy to use design with intuitive laser, forward, back and blackout screen controls
- Wireless range of up to 20m
- USB Plug & Play
- Provides control of PowerPoint® and Keynote® with no drivers needed
- PC and Mac® compatible
- Requires 2 x AAA batteries (included)
- Battery indicator light warns when battery power is low
