Kensington

Portafolio Me™ Customizable Folio Case for iPad mini™ 3/2/1 — Red

K97240WW

Product Description

Adding a personal touch to the things you use all the time, like the case for your iPad mini, just got a lot easier. The new Kensington Portafolio Me is a sleek and lightweight folio case that provides great protection for your iPad mini and has a clear, scratch-resistant window and removable personal panel that can be customized with a photo or free Skinit® decal* to truly make the case your own.

The Portafolio Me is form-fitted so the iPad mini slides in perfectly, and utilizes magnetic closures so your tablet always stays safe and secure when you're carrying it. Soft interior lining keeps the screen protected from scratches and the cover automatically wakes the tablet or puts it in sleep mode. The folio cover can be folded into multiple positions, creating a stand that optimizes either viewing or typing.

Soundwave speaker channels are built into the design of the case, redirecting the sound toward you. The Portafolio Me also has strategically placed openings so you have unobstructed access to all the iPad mini's ports and cameras. It all adds up to the perfect personalised case for you.
