

Wall Ultra Compact Laptop Power Adapter

The power to pack light.

K38066US

Product Description

Charge your notebook and other mobile devices with a power adapter that's smaller, lighter, and uses 30% less energy than standard adapters.

Features

- 43% smaller and 32% lighter than standard power adapters
- Built-in USB power port charges mobile devices
- Retractable mini USB charging cable and micro USB adapter tip included
- Uses 30% less energy than conventional adapters
- Compatible with notebook computers from HP®/Compaq®, Dell®, Acer®, Toshiba®, Lenovo®/IBM®, Sony®, Gateway®, and Asus®
- Some notebook power tips may not be compatible with all notebook models of the manufacturers as shown. The most up-to-date compatibility information can be found by visiting www.kensington.com
- Some notebooks/devices have very specific electrical requirements that may result in no compatible notebook power tips being available for that notebook/device.
- Based on regular 90 watt adapter
