

Noise-Reducing AUX Audio Cable

Cleaner sound through your car stereo

K39203US

Product Description

The only humming inside your car will be yours thanks to the Kensington Noise-Reducing AUX Audio Cable. The direct AUX (auxiliary) connection and noise reducing technology combine to deliver clear, clean sound through your car's stereo.

Features

- Reduces hum from your car's electrical system
- Provides a direct connection to your car's AUX (auxiliary) port for pure sound
- Cable braiding for strength, durability and limited tangle
- 4-ft long, 3.5mm audio cable
