Product Description

Finding the right monitor placement in tight workspaces can be challenging, causing many professionals to struggle with poor posture, eye strain, as well as neck, back and shoulder discomfort. The SmartFit™ Extended Monitor Arm Mount supports more comfortable monitor placement - even for desks with a shallow depth. Its height-adjustable design allows you to easily raise or lower your monitor to the proper viewing height, promoting improved posture and proper eye alignment. Thoughtfully engineered for stability and flexibility in tight spaces, it is an ergonomic companion for helping you work more comfortably throughout the day. It installs in minutes without tools using a sturdy mini C-clamp, ensuring a damage-free experience.

Features

- SmartFit™ supports proper ergonomic eye-level viewing angles, as well as improved neck and shoulder alignment.
- Adjustable monitor arm provides vertical, horizontal and distance options to create the ideal viewing angle
- Monitor attaches via 75mm or 100mm VESA-compatible mounts
- Cable management system helps neatly route cords for a clutter-free desktop
- Compatible with displays up to 24”; maximum 25 lbs. per arm
