

MicroSaver® Keyed Flat Panel Monitor Lock

The most secure lock from Kensington

K64529US

Product Description

Protect your flat panel monitor from theft by locking it down. Patented T-bar locking mechanism and super-strong carbon tempered steel cable provide maximum protection that attaches to the industry standard Kensington Security Slot found in 99% of notebooks and many computer devices.

Features

- Super-strong, steel composite cable with carbon tempered steel core
- 6-ft, 5.5mm thick cable
- Built-in defense system guards against lock tampering
- Patented T-bar lock provides superior lock strength in the security slot and theft protection
- Easy to install & use for use in the office or when traveling
- Locks into the standard Kensington Security Slot found in 99% of Laptops, and many flat panel monitors, desktops, projectors, printers, docking stations, tablet PCs, and other devices
- Custom keying options available in a master access, shared access, or supervisor-only access
