

Laptop Locking Station

K64625WW

Product Description

We've made superior security easier than ever with the Kensington Laptop Locking Station. Just give the security arms a squeeze. That's it! Laptops are secured with far fewer steps and even greater security than a traditional cable locks. Unlocking is fast, too: just turn the key and the arm spring open.

Features

- All steel backbone and deflector plates resist cutting, drilling and prying
- Works with laptops from 13.3" to 17"
- To lock, simply place the laptop on the base and squeeze the arm - no key needed
- Nearly impenetrable disk style keyed locking mechanism
- Safe Premium for the highest level of theft resistance
- Custom keying options available in a master access, shared access, or supervisor-only access
- Locking Station allows laptop to rotate, slide and tilt for easy access to all ports
- Free on-line key registration for secure key replacement
