

ComboSaver® Master Coded Combination Ultra Laptop Lock

K67713US

Product Description

Combination access, administrative access and extra security come together in the ComboSaver® Master Coded Combination Ultra Notebook Lock. It features a braided steel cable with 60% more strands for extra strength and peace of mind.

Features

- Free Register & Retrieve™ on-line key and combination code registration for secure key replacement or code retrieval
- Locks into the standard Kensington Security Slot found in 99% of notebooks, and many flat panel monitors, desktops, projectors, printers, docking stations, tablet PCs, and other devices
- Gives end-users the ability to set personal combinations that they can remember
- Allows authorized administrators the ability to unlock or reset locks at any time
- SAFE tested for greater security and peace of mind
- Used in conjunction with K67711US ComboGenie®
- Perfect for use in the office. No key required.
