

## MicroSaver® Keyed Lock - Duo

K67721US

### Product Description

Keep your workstation and monitor or printer secure with the Kensington MicroSaver® Keyed Duo Lock. Its twin keyed locks allow you to secure a workstation and peripheral with a single carbon-strengthened steel cable.

### Features

- Hidden Pin™ technology ensures tubular locks cannot be picked offering the highest level of security
- Tamper Evident™ technology alerts you that someone has tried to steal your device
- Dual lock-heads secures two devices including laptops, hard drives and monitors while allowing independent access
- Free Register & Retrieve™ on-line key and combination code registration for secure key replacement or code retrieval
- Safe Pro exceeds industry standards for tough security applications
- Custom keying options available in a master access, shared access, or supervisor-only access
- Designed to secure multiple devices on laptop workstations
- Free on-line key registration for secure key replacement
