

## SlimBlade™ Bluetooth Presenter Mouse

A mouse that connects with your notebook and your audience.

K72330US

### Product Description

By combining a full-function laser mouse and presenter in one sleek device, the SlimBlade™ Presenter Mouse saves room in your travel bag and wows your audience.

### Features

- Bluetooth connection leaves your USB port free for other use- no receiver required
- Full-featured laser mouse for easy navigation
- Switch to presentation mode and give your presentations in style
- Ultra-thin design fits great in your hand and slips easily into a pocket or travel bag
- Never worry about turning your mouse on or off again- your mouse goes into sleep mode when your notebook does
