## Product Description

Derwent Academy has been created with aspiring artists in mind. With a wide range of pencils, paints and markers available to choose from, we have the perfect tools for you to get started. Getting the hang of watercolours can be tricky, and this set of 12 watercolour pencils provides an excellent introduction to drawing portraits. Use the watercolour pencils to draw out your painting, then dissolve the rich pigments using a wet brush to create a fluid painting. Ideal for traditional watercolour work without the fuss of paints.
