Features

- Derwent Academy Sketching Pencils have a slim 6.9mm hexagonal graphite grey barrel with a long black gloss end dip
- The size of the pencil core varies depending on its hardness; It is 2.2mm for the harder degrees (2B – 5H) and 2.8mm for the softer degrees (3B - 6B)
- Made with natural wood barrels and quality graphite they are easy to sharpen and break resistant.
- The hexagonal barrel makes the pencil easy to hold and control particularly for detailed drawings
- For ease of identification the degree is printed on the end of the barrel
