

GBC® System One SureBind® Manual Punch and Electric Finisher

9707053

Product Description

Get professional-looking SureBind® results with this all-in-one punch and bind system. The manual punch handle is convenient for right-or left-handed use. The pressure bar and alignment guide hold documents (up to 1" or 240 sheets) in place during electric finishing. SureBind spines add a smooth, book-like finish to your presentations without visible holes, tapes or fasteners.

Features

- Ready light indicates when binding is complete
- Extra-large drawer for paper chips and pin debris
- Binds sheets up to 14" in length

Specifications

- **Binding** SureBind
- **Warranty** 90-day
