Product Description

Display your ideas, presentations and more on an adjustable presentation easel. The Nano-Clean surface resists staining and ghosting, while the wheeled base can easily be moved from one room to the next.

Features

- Nano-Clean technology prevents ink from penetrating the board surface
- Wheeled base allows for easy mobility and locks in place for stable presenting
- Easel height is adjustable from 64" to nearly 77"
- Use magnets to post documents on the magnetic dry-erase surface
- Two extendable arms hold flipchart pages for versatile presenting options
- Flip-up clamp and sliding pad hooks secure any size flipchart over the dry-erase board
- Easel has a graphite finish frame and measures 36" x 24". Comes with an accessory tray and 10 year warranty.
