

Pocket Battery for Smartphone Devices

A boost of power you can take anywhere.

8589638056

Product Description

Slip the Kensington Pocket Battery Pack for Smartphones into your pocket and you've got everything you need to give your Blackberry®, Nokia®, Motorola®, Samsung®, HTC®, LG® or other smartphones a fresh charge. The Pocket Battery Pack for Smartphones adds 3.5 hours of additional talk time*, and has both mini and micro USB charging cables as well as a USB charging tip built right in for recharging so there are no parts to lose.

Features

- All-in-one solution with all cables built-in
- Built-in mini and micro USB charging cables are ready when you need them
- Enjoy additional play time, talk time and email time
- Integrated 1200 mAh battery adds up to 3.5 hours of additional talk time based on the Blackberry Storm
- NOTE: When you plug a mobile device in to charge, press the battery indicator button to ensure optimal charging - not following this step will result in long charge times
- Rechargeable, light and incredibly thin
- Safe and reliable power so you'll never be caught without a charge
- Slips into your pocket to keep your Blackberry or other smartphone charged anywhere you need it
