

Kensington® Presentair™ Bluetooth® Presenter with Red Laser & Stylus

K39524EU

Product Description

Present, point and annotate like a professional with the Presentair™, which is designed into a sleek, comfortable pen shape. An intuitive button layout controls PowerPoint® and Keynote® slides on Windows® and Mac OS® devices from up to 30 feet away. The red laser pointer can highlight aspects of your presentation and the responsive, touch-sensitive stylus tip makes annotations a breeze. Presentair stores in a handy carrying case and recharges via the micro USB cable.

Features

- Bluetooth wireless connectivity to save a valuable USB port for other accessories
- Presentation and Media modes
- Red laser pointer
- Rechargeable battery via included micro USB cable
- Stylus tip for touchscreens
- 30-foot wireless range
- Compatible with Windows 8.1, 8, 7
