

Kensington

FS220 Snap2™ Privacy Screen for 20”-22” Widescreen Monitors (16:9 / 16:10)

8589655779

Product Description

Ces films protecteurs accroissent la longévité et la qualité d'image des écrans plats. De différentes formes, ils s'installent directement sur l'écran et leur pose ne nécessite pas l'usage d'adhésif ni de structure encombrante. La surface résistante et texturée du film protège les écrans fragiles, atténue les reflets et améliore le contraste.

Features

- Fits up to 22"/55.9cm flat panel monitors
- Hard-coated film protects sensitive screens from smudges and damage
- Narrows the viewing angle of your monitor to shield data from on-lookers
- Textured surface with light tint to reduce glare and improves contrast
- Top bracket secures screen to differently shaped flat panel monitors without hassle, adhesive or cumbersome frames
- Special film coating prevents mildew and bacteria growth, which can cause stains and odors on the film.
