Features

- Give your employees superior and effortless laptop security with the ClickSafe® Keyed Laptop Lock. One-click, keyless engagement combines with premium materials and anti-theft technology to make protecting laptops easier than ever.

- Tamper-proof disk-style lock combined with superior materials provide near impenetrable protection.

- ClickSafe® Lock provides one-step security after Security Anchor has been installed into Kensington Security Slot™ found on most laptops, increasing employee compliance.

- Carbon steel cable is cut-resistant and anchors to desk, table or any fixed structure.

- Register & Retrieve™ program allows you to order replacement keys.

- One-handed engagement without need to use a key.

- Two keys supplied.

- Custom Keyed options available.
