

Pro Fit™ Mobile Wireless Mouse with Nano Receiver

K72366EU

Product Description

You work practically anywhere and so does the Kensington Pro Fit™ Mobile Wireless Mouse. The advanced Blue Optical sensor tracks accurately on more surfaces than standard optical sensors. What's more, the Pro Fit™ is constructed to survive the rigours of the road. So when you're ready to work - wherever that may be - so is the Pro Fit™ Mouse.

Features

- Advanced Blue Optical sensor tracks on more surfaces than standard optical (1000dpi)
- Nano Wireless USB receiver stores inside mouse battery compartment when travelling
- Secure 2.4Ghz wireless technology reduces risk of interference and is ideal for office environments
- Clickable scroll wheel is ideal for speeding through documents
- Soft rubber side panels maintain comfort and grip
- Reliable Plug & Play operation with USB connection
- Designed for durability withstanding everyday drops and spills
- Requires 2 x AAA batteries (included)
- PC and Mac® compatible
