

PocketMouse™ Mobile Mouse USB

K72406EU

Product Description

The Kensington PocketMouse Mobile Mouse USB compliments mobile laptop usage with a compact size for travel convenience, but works just as well with a desktop PC. It offers plug-and-play operation with a standard wired USB connection, a high-definition optical sensor for reliable and responsive control and a limited lifetime warranty.

Features

- High definition optical sensor delivers smooth cursor control and precise tracking (1000 dpi)
- Compact design works at the desk or on the go
- Reliable Plug & Play operation with USB connection
- Clickable scroll wheel is ideal for speeding through documents
- Ambidexterous design for left and right handed users
- Wired 150cm USB cable for battery free reliability
- PC and Mac® compatible
- Professional high gloss black with matt black and grey finish
