

Customize Me™ Case for iPad Air™ 2— Red

K97359WW

Product Description

Adding a personal touch to the things you use all the time, like the case for your iPad Air™ 2, just got a lot easier. The new Kensington Customize Me is a sleek and lightweight folio case that provides great protection for your iPad Air™ 2 and has a clear, scratch-resistant picture window and removable personal panel and that can be customized with a photo to truly make the case your own.

The Customize Me is form-fitted so the iPad Air™ 2 slides in perfectly, and utilizes magnetic closures so your tablet always stays safe and secure when you're carrying it. Soft interior lining keeps the screen protected from scratches and the cover automatically wakes the tablet or puts it in sleep mode. The folio cover can be folded to create a two-position stand that optimises either viewing or typing.

SoundWave™ speaker channels are built into the case to redirect the sound toward, improving audio quality for a better listening experience. The Customize Me also has strategically placed openings so you have unobstructed access to all the iPad's ports and cameras. It all adds up to the perfect personalised case for you.
