

Quartet Show-It! 3-Panel Display System, 72" x 36", Double-sided, Blue/Gray

Make sure your important message is clear, with the Quartet Show-It! 3-Panel Display System. Versatile system displays art, graphics, photos, signage and more.

SB93513Q

Product Description

Lightweight and resilient, this 3-panel display system allows you to quickly set up a dynamic, visual exhibit. Panels are double-sided to provide a larger display surface, and able to be combined with other Quartet display boards.

Features

- Versatile 3-panel display board features a fully tackable, fabric surface
- Durable and lightweight construction is ideal for use in educational or professional environments
- Board measures 6'W x 3'H; blue on one side and gray on the other
- Attach graphics to either side of board panels with tape or push pins
- Use as tabletop display or stack two boards on top of one another for a 6-foot tall floor display (sold individually)
- Use in conjunction with the Quartet Show-It! Display System Header Panel (SB93501Q) to add a professional looking title to your display (sold separately)
- Carrying bag included
