

Apollo 16002 Overhead Projector, 2000 Lumen Output, 10" x 10", Closed Head

V16002M

Product Description

For powerful presentation capabilities, this overhead projector can brighten up any small room. With a 2000 lumen light output, this projector is perfect for classrooms and small-capacity meeting spaces. The closed head lens keeps dust and dirt out, so your projected image are more pristine. The built-in grips help makes set-up and transport easier.
