

Wilson Jones® Sheet Lifters, Boomerang Easy Flow II, 45 Gauge, Black, 2/Pack

Eliminate the risk of wrinkled or curled pages with sheet lifters for round ring or D-ring binders.

W364-89

Product Description

Use sheet lifters in any 3-ring binder to better protect your papers. Sheet lifters prevent pages from being trapped under the binder rings by lifting and guiding them gently over both round rings and D-rings.

Features

- Sheet Lifters protect your pages in binders
- Prevents pages from being trapped under the rings, avoiding wrinkling and curling
- D-Ring binders: place sheet lifter on top of contents
- Round Ring binders: place one sheet lifter on top of contents, place another below contents
