SAFETY INFORMATION

PLEASE READ AND SAVE THESE INSTRUCTIONS

This appliance has a polarised plug (one blade is wider than the other). To reduce the risk of electric shock, this plug is intended to fit in a polarised outlet only one way. If it does not fit, contact a qualified electrician. Do not attempt to defeat this safety feature. Unplug or disconnect the appliance from the power supply before replacing filters or UV bulb, or when appliance is not in use.

WARNING: To reduce the risk of fire or electric shock, do not use this fan with any solid-state speed control device.

Do not operate any purifier with a damaged cord or plug, or if the wall socket is loose. Do not run cord under carpeting, throw rugs, runners, or similar coverings. Do not run cord under furniture or appliances. Arrange cord away from traffic area and where it will not be tripped over.

WARNING: Skin or eye damage may result from directly viewing the light produced by the bulb in this apparatus. Always disconnect power before replacing or servicing. Replace bulb with UVLZ100001AU, Manufactured by ACCO Brands.

- Remove all packaging, including the filter bag, before use.
- Appliances that are obviously damaged must not be operated.
- This appliance must only be connected to a wall socket outlet matching the supply plug type and rating stated on the rating plate.
- Locate air purifier near the outlet wall socket and do not use extension cords.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.
- Children shall not play with the appliance.
- Replace the UV bulb with the models specified within this manual.
- Do not attempt to service or repair this product yourself.
- Only use the purifier with the power cable provided.
- Only clean this machine with a damp cloth, do not use solvents or bleach.
- Ensure appliance is always placed on firm level surface before operation.
- Do not block or obstruct the air intake or outlet vents.
- Do not insert fingers or other items into the air intake or outlet vents.

FEATURE HIGHLIGHTS

PureDirect™ Technology

Independent lab testing confirms that two airflow streams are better than one, moving air effectively and more comfortably throughout the room.

360° Purification

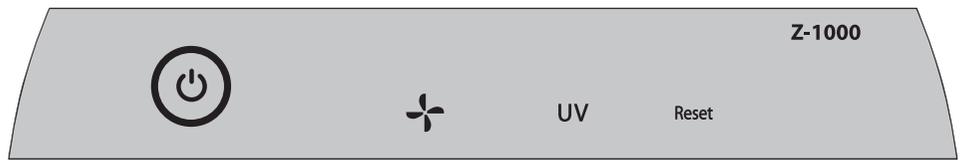

DuPont™ HEPA filter captures pollutants and VOC gases/odours from all directions. UV light kills germs and bacteria that can get trapped in the filter.

Thoughtful Execution

Exceptional functionality wrapped in a contemporary design that fits any environment.

CONTROL PANEL

Power Button

Fan Speed Settings

Select fan speed: 1, 2, or Turbo.

UV

UV Mode

UV bulb within the purifier's filter chamber is on when the ☀️ symbol is white. The ☀️ symbol will glow red when it is time to replace the UV bulb.

(See page 13 for replacement instructions)

Reset

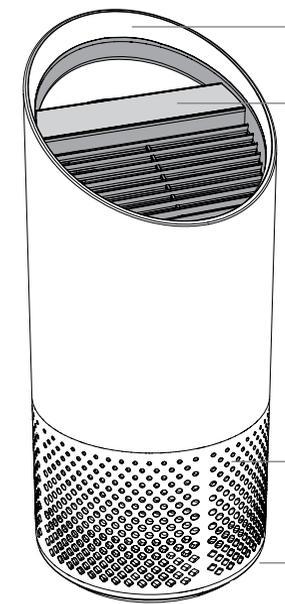

Filter and UV Indicator Reset

HEPA, Carbon and UV indicators glow red when it is time for each to be replaced. When 1 indicator is on, simply hold Reset for 3 seconds to reset that indicator. When 2+ indicators are on, tap the Reset button to select the correct indicator (selected indicator will blink) before holding 3 seconds to reset that indicator.

(See pages 11-13 for replacement instructions. Follow above Reset button instructions after replacing filter.)

PRODUCT OVERVIEW

Air Purifier

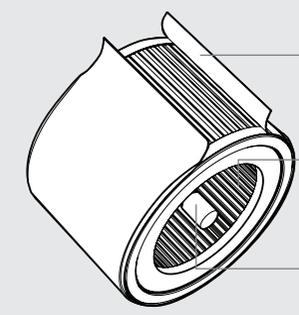

Easy-carry handle

Simple touch control panel

UV Sterilisation

GETTING STARTED

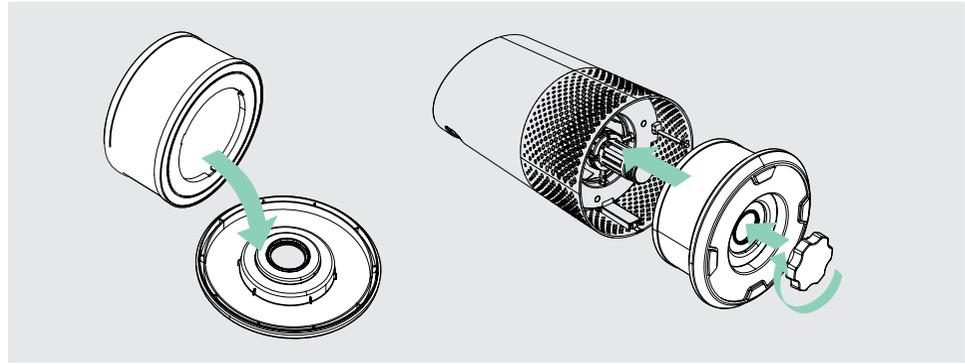

1. Remove plastic bag from filter

Unscrew the bottom cover and remove the plastic bag from the filter.

2. Re-attach filter

Secure filter on the bottom cover and replace inside the purifier.

3. Set up

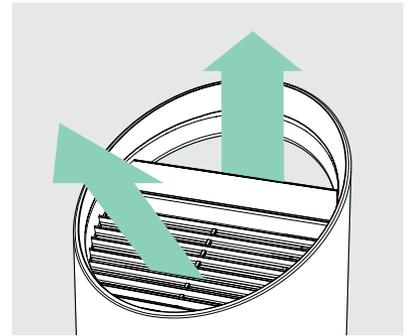

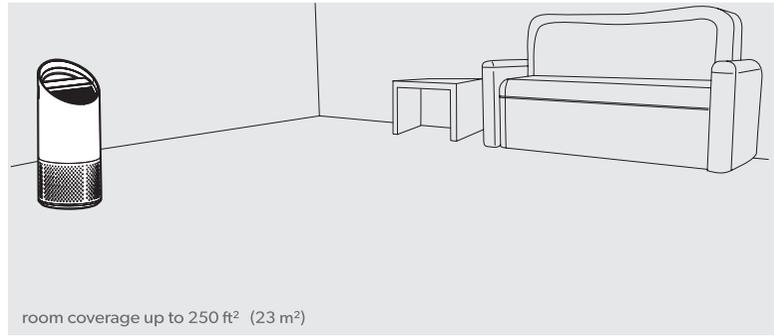

Plug-in your air purifier unit and power on.

Place the purifier on a flat surface, free from obstructions:

- where air can flow freely into the purifier from all sides
- avoiding furnishings like bedding and curtains, as well as sources of heat or moisture

4. Start living with cleaner air!

Select your preferred fan speed and proprietary PureDirect™ technology will deliver purified air throughout the room!

SPECIFICATIONS

Air Inlet	360°
Air changed 2 times per hr	250 ft ² (23 m ²)

Purification Levels	Carbon Prefilter, HEPA, UV
Filter Change Indicators	Carbon, HEPA, UV
Noise	39 - 65 dB
Dimensions	7.7" x 7.7" x 17.9" (195 x 195 x 451 mm)
Weight	7.7 lbs (3.5 kg)
Motor Type	AC motor
Power Requirements	220-240v 50/60Hz 0.3A
Power Consumption	72 W
Warranty	2 years

Replacement Filters & UV Bulb

2-in-1 HEPA drum filter	AFHZ100001AU
Carbon filter (3-pack)	AFCZ100001AU
UV Bulb	UVLZ100001AU

CARE & MAINTENANCE

Accessing the filter chamber

1. Always power off the purifier by pressing the Power Button and unplugging the power cord.
2. Gently place the unit on its side on the floor so that the filter chamber cover and knob are exposed.
3. Turn the knob counter-clockwise and remove the filter cover and 360° HEPA filter drum (Fig. A).

REPLACING HEPA FILTER

1. The HEPA indicator will glow red when it is time to change the entire HEPA drum filter.
2. Gently pull the HEPA drum filter away from its place secured to the filter cover (Fig. B).
3. Secure the replacement HEPA filter onto the filter cover (Fig. C).
4. Gently replace the filter cover with filter drum into the filter chamber and onto the threading, and turn the knob clockwise until the knob and filter chamber cover are securely tightened (Fig. D).
5. Plug-in and power on your purifier, and hold the Reset button until the red HEPA indicator turns off.

Note: HEPA drum filter (on page 10) will include 2 layers: Carbon Prefilter and HEPA

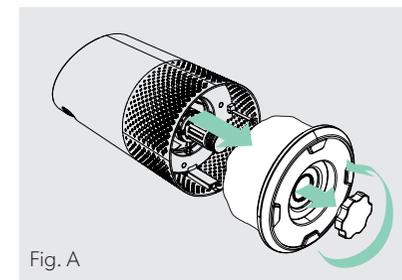

Fig. A

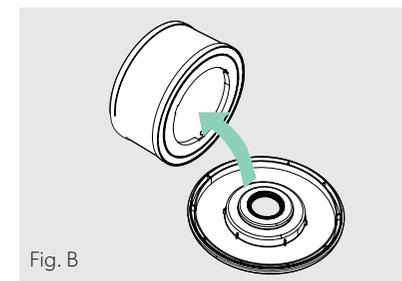

Fig. B

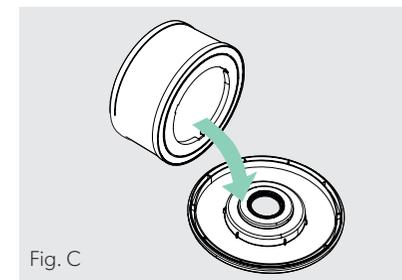

Fig. C

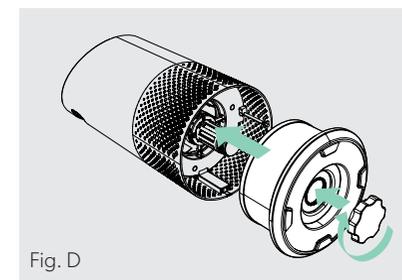

Fig. D

REPLACING CARBON PREFILTER

1. The Carbon indicator will glow red when it is time to replace the Carbon layer.
2. Gently peel away the used Carbon layer from the fastener strips (Fig. E).
3. Wrap a new Carbon layer around the filter drum and attach to the same fastener strips (Fig. F).
4. Once the purifier is powered-on, hold the Reset button until the red Carbon indicator turns off.

Note: Carbon filter 3-pack (on page 10) will cover 3 Carbon changes between replacing the entire HEPA drum filter assembly (on page 11).

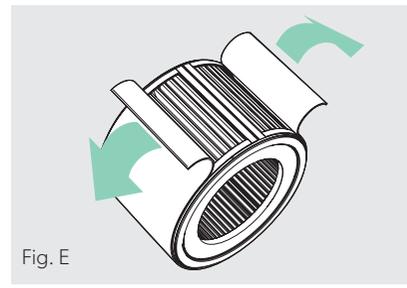

Fig. E

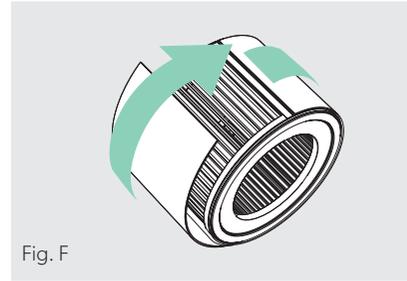

Fig. F

REPLACING UV BULB

1. The  indicator will glow red when it is time to replace the UV bulb.
2. Remove HEPA filter drum (Fig. A), and use a screwdriver to remove the screw securing the UV housing (Fig. G).
3. Gently remove the UV housing (Fig. H) and disconnect the UV bulb from the socket (Fig. I).
4. Release carriage from the UV bulb (Fig. J).
5. Secure carriage to new UV bulb (on page 10) (Fig. K) and connect UV bulb into purifier (Fig L).
6. Replace the UV housing and use a screwdriver to tighten the fastening screw.
7. Once the purifier is powered-on, hold the Reset button until the  indicator turns white.

FAQ & TROUBLESHOOTING

<p>How often do I need to change the filters?</p>	<p>That's easy! The purifier's replacement indicators will notify you when it is time to replace the Carbon or HEPA filters, or the UV bulb. Plan on replacing the Carbon every 3-4 months, HEPA every 12-15 months, and UV bulb every 1-3 years.</p>
<p>Purifier won't turn on.</p>	<p>Check that the power cord is connected securely to both the wall outlet and the purifier. Check if there is a power outage in the outlet by trying a nearby light or device, or by trying a working device in the same outlet. Check that the HEPA filter is fitted properly into filter chamber.</p> <p>Please contact us if you're still having a problem! (page 15)</p>

WARRANTY

Warranty Against Defects

This product is provided with a **2 year** warranty limited to defects in material and workmanship from the date of original purchase (you must retain proof of purchase) (**Warranty Period**). This warranty is offered by ACCO Brands Australia Pty Ltd (ABN 16 000 265 047) if the product was purchased in Australia or ACCO Brands New Zealand Limited (26589) if the product was purchased in New Zealand (each referred to individually, as ACCO Brands). ACCO Brands will, at its own discretion, either repair or replace this product (with a new or refurbished product) if the defect is deemed by ACCO Brands to be the result of faulty materials or workmanship but subject to the conditions set out in this warranty. Any other representation contained on this product's packaging or provided with this product which constitutes or appears to constitute a warranty is hereby excluded and is not given by ACCO Brands (except for the statutory warranties as indicated below). You may claim on this warranty only within the Warranty Period in the manner set out below and provided that you have complied with all the other conditions of this warranty. This warranty can only be exercised by the original purchaser of the product and is not transferrable to any other person or entity under any circumstances.

Statutory Guarantees and Your Other Rights and Remedies

This warranty is provided in addition to other rights or remedies that you, as a consumer, may have under Australian or New Zealand consumer law, or any other applicable law. **For Australia:** Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. **For New Zealand:** Our Goods come with guarantees that cannot be excluded under the Consumer Guarantees Act 1993. This guarantee applies in addition to the conditions and guarantees implied by that legislation.

What this Warranty Does Not Cover

If ACCO Brands reasonably considers that any of the following situations are present, this warranty does not apply:

- any cosmetic damage;
- where the product's serial number is no longer present or visible;
- loss or damage caused by factors beyond the control of ACCO Brands including, but not limited to, damage or failure due to power fluctuations, overload, excessive heat or humidity;
- where the product has not been installed, operated, used, stored and/or maintained in accordance with any instructions provided with the product;
- where damage or defects are due to unusual, abnormal, non-recommended or negligent use, handling or maintenance of the product;
- any alterations or repairs to the product not authorised in writing or performed by ACCO Brands;
- liability based on any service or other agreement or arrangement entered with any third party; or
- normal wear and tear including deterioration of any wearable components or consumables in any product, including but not limited to base boards, blades, cutters, cutting disks, cutting sticks, drill bits, feed wheels, fuses, light bulbs, manual punches, separators, slitters and staple inserts.

How to Make a Claim

To make a claim under this warranty please contact your place of purchase within the Warranty Period (from the date of purchase). Proof of your purchase of this product, such as your receipt or invoice, must be provided in addition to a detailed description of the defect in the product. Your claim will be assessed under the terms and conditions of this warranty and the laws applicable to your place of purchase.
