ENHANCED CONTROL, WITH PENCIL PRECISION

Easy to control for accurate drawing with less mess, Derwent Charcoal Pencils can be sharpened for detailed work, and smudged and blended for a range of effects. They can give crisp sharp lines or soft aspects to drawings.

TEXTURE OF WILLOW CHARCOAL

Derwent Charcoal Pencils are made from natural charcoal particles with no impurities; providing the same soft, powdery laydown expected of willow charcoal.

Derwent Charcoal Pencils are available in three shades; light, medium and dark.

DEGREES

TRAVEL FRIENDLY

Charcoal is often used for life studies and is considered very traditional. Derwent Charcoal Pencils offer a more robust alternative, and will last longer than charcoal sticks.

The wood casing makes this charcoal travel friendly, while more traditional charcoal media will break easily in transit.

Ideal for rich dramatic drawings and sketching whilst out and about.

1

EXTRA WIDE SIZE

Perfect for expressive mark making, artists can create a wide variety of textures and effects with these generously chunky blocks; the size, strength and structure has been designed to fit comfortably in hand for optimum control.

Each block features a large volume of formula, equivalent to eight pencils and measures 60mm in length and 20mm in diameter.

2

SOFT CHARCOAL IN GREYSCALE SHADES AND TINTED WITH COLOUR

Charcoal is a staple of many aspiring and professional artists' supplies. Derwent Charcoal and Tinted Charcoal XL Blocks combine this media in a strong bodied and soft textured form in 12 varying shades.

Charcoal XL Blocks are available in six greyscale shades from light to blue black and ultra black tones. Tinted Charcoal XL Blocks are available in six earthy shades from white to purples and green.

Combine Charcoal and Tinted Charcoal XL Blocks range with the Derwent Charcoal and Tinted Charcoal Pencil ranges, and Derwent Tinted Charcoal Paints for further creative possibilities.

3

HIGHLY VERSATILE

XL Blocks are Derwent's most versatile format, to be used for all size artwork, including broad coverage on large scale art pieces. Achieve broad strokes and expressive marks when using the blocks whole or break into pieces and grate into powder for textures and detail. Used dry the blocks have a smooth texture and can be used for techniques such as blending, mixing, and smudging.

Naturally water-soluble.

"Teaching figure drawing classes I have always found students are afraid to pick up XL blocks at first, opting for the familiarity of pencil or charcoal, but what a transformation when they finally pluck up the courage to give the XL Blocks a go! The scale of the medium unlocks a whole new range of marks, allowing students to use their whole elbow, wrist and shoulder in their mark making. The blocks combine well with regular willow and vine charcoal, while their size, shades, colours and square profile have added a new dimension of possibility to my materials box."
