

AP-2 Ultra

0177560000

Product Description

The AP2 Ultra can accommodate a wide variety of sheet sizes, punch styles and paper stock, making it the right choice for the on-demand environment. It punches intermixed index tabs and irregular sized covers with ease. Die sets can be changed quickly and without any tools.

Features

- Continuous load and unload from the same position.
- Output stacker maintains job collation without a turn-over device.
- Edge guide adjustment knobs allow sheet size change effortlessly without tools.
- Variable speed control and adjustable pick feeder to accommodate various paper stocks.
- Electronic adjustment for heavily curled stock.
- The LCD Display shows machine status at all times.
