DigiCoil Automatic ColorCoil Inserter

0340000000

Product Description

Automate your coil binding with the most popular production system of its kind—the DigiCoil Color Coil® inserter. It is easy to set up, runs a full range of coil sizes, and sets the pace in your production environment. The DigiCoil system reliably binds books up to 33mm thick and can easily handle assorted stocks, index tabs and oversized covers.

Features

- No tools required for the setup of each job

- Output stacker allows one operator to continue working while another removes finished documents

- Features push-button operation on a convenient user interface

- Auto-run feature feeds and crimps coils automatically for quick production of large jobs

Specifications

- **Period of Warranty** 90-day
