

# Graphitint Pencils 12 Tin

Unique blend of water-soluble graphite with a hint of colour for dramatic tonal work

0700802

## Product Description

Graphite and colour combine to create this unique formulation of watercolour pencil pigments and graphite. This range is ideal for mixed media work.

When used dry, Graphitint provides just a hint of colour but adding water transforms the tint into rich, shimmering shades with an underlying, graphite sheen.

Muted colour palette offers warm and cool tones.
