Product Description

The ClassicCut Compact Guillotine Trimmer is perfect for small projects like crafts and photo trimming. Its lightweight and compact design deliver high-quality cutting without taking up the space that a traditional trimmer requires. For even more space-saving convenience, this trimmer also features a built-in storage compartment that lets you keep small items like clips and scrap paper right in its base.

Features

- Trimmer is perfect for quickly and cleanly cutting photos, cards, labels and more
- Compact size makes the trimmer easy to store in a desk drawer or pack in a bag for travel
- Plastic base with non-slip rubber feet is lightweight for easy portability
- Convenient storage compartment inside base is great for holding small items like paper clips, sticky notes and rubber bands to keep them handy during projects
- Cutting arm with guillotine blade swings open and closed to make straight cuts on paper and snaps into closed position to secure arm while not in use
- Alignment grid and inch ruler ensure cuts are always exact
- Guard rail keeps fingers safely away from blade while the trimmer is in use
- 6" cutting length is ideal for small trimming projects, like for crafts, photography and scrapbooking
- Cuts up to 5 sheets at once
- Limited 1 year warranty
