

GBC Catena 35 Roll Laminator

1712001

Product Description

The Catena 35 tackles your most demanding jobs with unmatched ease, versatility and efficiency. With its small footprint, this new and improved laminator encapsulates and mounts jobs up to 305mm wide without taking up much space in your office, school or small print shop. Plus, its increased 6mm mounting gap ensures that mounting to foam core is quick and frustration-free. The Catena 35 is now simpler than ever to operate - even for first-time users.
