

Spire III 64T - 64" Thermal Wide Format Laminator

1737175

Product Description

Running at a maximum speed of 20 feet per minute with 4" heat rollers, the Spire III 64T machines is fast and retain heat better for longer runs. Even beginners will find the Spire III easy-to-use with a user-friendly control panel and auto grip, easy-load supply shafts for no-hassle film loading. Designed with an eye for increasing versatility, a 2" mounting gap allows for mounting of thicker substrates while optional unwinds and rewinds and roll-to-roll capabilities can be easily added later.

Each information

Depth	32.1"
Width	81.9"
Height	62.2"
Gross weight	1166.00lbs
