

ProCut 17P Paper Cutter

1737218

Product Description

Fully automatic and programmable, the ProCut 17P Automatic Programmable Cutter delivers improved productivity and enhanced user experience. The 17-inch automatic cutter is equipped with an easy-to-use LCD interface, making cutting jobs a cinch. All steel construction promises durability and reliability, while the LED optical line ensures the most accurate cut every time.

Features

- Cuts up to 17.5" wide and 1.75" high
- Full programability up to 80 programs and 99 steps
- Electric knife, clamp and back gauge included
- Light curtain safety shield
- Push-out feature moves media forward after the cut so operators don't need to reach under the knife
- Reset button recalibrates machine for accuracy at every start-up or during operation
- Intuitive user LCD interface
- Two-handed cut clamp activation button
