Features

- Auto Feed feature simplifies use: just stack, shut the paper in the auto feed chamber and you're good to go
- SmarTech functionality allows for real-time monitoring, sending you notifications like "Shredding", "Paper Jam" and "Job Complete"
- Easy setup – simply download the app from iTunes or the Google Play Store and pair your device
- Administrators can manage multiple devices at once, with real-time alerts if shredders are jammed, in use, or in need of service
- Super cross-cut shredding is a great choice for everyday security needs, with Level P-4 security
- Programmable PIN-protected lockable chamber keeps documents secure while jobs are in progress
- Shreds up to 300 sheets at a time with automatic shredding, or 8 sheets at a time with manual feed
- Large, 11-gallon pull-out waste bin with bin full indicator alerts you when it needs to be emptied, with attached wheels for easy mobility
- Ultra-quiet functionality, below 60dB, ensures minimal disruption in office environments
- Intelligent Auto+ Jam Clearance automatically reverses and refeeds stuck papers and Intelligent Self-Cleaning Cutters automatically remove shreds that cause build-up and lead to jams
- Intelligent Power Save auto shut down feature with automatic wake-up conserves energy
- Auto shreds documents, paper clips and staples; manually shreds credit cards, CDs, and DVDs
- Swingline GBC stands behind this high-quality shredder with a limited 2-year warranty on the machine, and a limited 15-year warranty on the cutters
