1758499F

Product Description

This small office shredder packs a powerful punch. The ShredMaster SM10-06 Micro-Cut Shredder is highly secure, allowing you to eliminate private documents with ease. A long run time makes it the perfect choice for large jobs.

General information

Colour Black/Chrome

Features

- High Security (Level P-5) ideal for confidential business documents and sensitive information. Micro Cut shreds paper into tiny 1/8" x 1/2" pieces.
- Shreds up to 10 sheets at a time. Also shreds through staples and paperclips.
- 6 gallon pull out bin provides plenty of space and allows for easy emptying. 120 minute run time makes it perfect for big jobs.
- Modern interface with user friendly touch controls. Convenient LED indicator lights alert user in cases of Bin Full, Door Open, Over Heat and Over Load.
- Whisper Shred Technology operates below 58 dB. Eco Power Save function conserves energy, automatically turning the shredder off after 2 minutes of inactivity.
- Auto reverse jam prevention clears jams with ease
- 2 year warranty. 14.57" x 11.42" x 19.69".
