

# GBC Shredder Oil, 16 oz., 473 ml Bottle

1760049

## Product Description

Your office functions like a well-oiled machine, and so should your shredder. Shredder oil extends the life of cutters by keeping them well-lubricated, and keeps your shredder working at peak performance.

## Features

- Oil reduces torque, allowing cutters to move easily and reducing the risk of paper jams
- Extends the life of cutters by keeping them well-lubricated
- Compatible with all GBC shredders as well as shredders made by other manufacturers
- Use on standard shredders by pouring a few streaks of oil onto a sheet of paper and running the oiled sheet through the shredder
- Use on GBC Jam Free and Stack-and-Shred shredders with Intelligent SelfOil feature by pouring oil into the shredder's designated oil reservoir
- 16oz Bottle

## Each information

| | |
