

Five Part File Translucent

2100593

Product Description

The 5 part file tranz is a contemporary way to store or to index large projects. Frosted translucent indexes allow the front page of each section to be viewed. The file has a clear front cover and the following coloured indexes - raspberry, purple, light blue, green and dark blue.

Features

- Easy indexing of information with 5 translucent colour coded tabs
- Each section has a non-tear plastic fastener for punched papers
- Front pocket for personalisation and storage of loose papers
- Can hold up to 100 sheets.

Specifications

- **Colour** Translucent
