

RLWSFM9 Wide Entry Super Micro Cut Shredder

2103009EU

Product Description

High security and high performance wide entry shredder for centralised and bulk shredding. Capable of shredding up to 9 sheets of 80gsm A4 paper at a single pass. Wide entry format for shredding of A4, A3 and computer listing paper. Super Fine Micro cut 0.8x5mm, P-7 security level for Top Secret information. Jam-Free function reverses paper out of the shredder, and it features a front opening door with a large 175 litre removable plastic bin. Electronically controlled safety flap in the feed opening. Auto cut-out when bin is full or door is opened. Automatic oil injection on the cutting shafts during shredding operation for constantly high shred performance. Super fine micro cut P-7 security level.
