Derwent Procolour (12) Tin

2302505

Product Description

Derwent Procolour pencils are the perfect combination of a strong point and a smooth, effortless laydown, delivering beautiful, effortless blendability. Wax formulation glides like an oil while delivering incredible covering power.

These pencils have a strong core which retains a sharp point for fine detail while minimal chipping and dusting keeps work clean and smudge-free.

Reproduction print colours are true to the original
binders, meaning there is no scan glare when creating
professional copies of your work.
