Egenskaper

- Efficient power system driven by flywheel technology that converts electric energy to kinetic energy, allowing for faster acceleration and punching
- Half-second punch cycle
- Punches up to 49 sheets at a time (varies by punch pattern)
- 3-way rocker switch allows you to operate the machine with the tabletop trigger or foot pedal
- Large chip tray with capacity for chips from 40,000 sheets
- All-metal housing
- Enhanced edge guide with adjustable sliding knob and screw system
- Locking die set system with integrated safety switch, 13 die sets (including a thumbcut wire calendar die), and compatibility with Magnapunch 2.0 dies
- 1-year warranty
