

Swingline™ GBC® EZUse™ Thermal Laminating Pouches

3740721

Product Description

EZUse™ pouches are the easiest to use thermal laminating pouches ever, providing outstanding lamination accuracy and UV protection. The helpful EZUse alignment guides, mil thickness icon and directional arrow on every pouch simplify the laminating process.

Features

- Thermal lamination pouch includes visible EZUse™ features that magically disappear after lamination
- Alignment guides make centering documents easy
- Mil icons clearly identify pouch thickness to help you select best laminator settings
- Directional arrows indicate which edge of pouch should be loaded into laminator first
- UV protection prevents fading and discoloration over time
- Letter Speed Format available with seal on the long edge for the fastest lamination
- Multiple sizes, mil thicknesses and pack quantities available
