Lowest possible unit	Case

Features

- Create stunning results with impeccably accurate and easy to use lamination pouches. Documents will remain bold with the UV protection, which prevents fading and discoloration.
- With alignment guides and mil icons directly on the pouch, you can eliminate unnecessary waste. Perfectly align your documents and easily select the best laminator setting.
- Arrows on the static-resistant pouch clearly indicate loading direction. The arrows, alignment guide and mil icon all disappear after lamination is complete for crystal clear viewing.
- Pouches are compatible with any thermal laminator, including the GBC Fusion 7000L and GBC HeatSeal H700, sold separately.
- The 5 mil thick pouches provide solid protection with limited flexibility. These 9" x 11 1/2" pouches are perfect for letter sized documents. Pack includes 150 pouches.
