Features

- Pouches have UV protection, which prevents fading and discoloration
- Speed pouches can be fed horizontally into laminators 12" or wider
- Reduce throughput time by 22% with horizontal speed pouches
- Alignment guides keep documents centered evenly in the pouch
- Mil icons on the pouch help you select the best laminator setting
- Arrow icons help you correctly load the pouch into your laminator
- Alignment guides, mil icons and arrows disappear after lamination is complete
- 5 mil thick pouches provide solid protection with limited flexibility
- Compatible with any thermal laminator
