Product Description

Protect your letter size documents with ease. Three EZUse™ features directly on these thermal laminating pouches simplify the lamination process to quickly and easily deliver a high quality output. The result will be a perfectly centered, glossy laminated document worthy of display and durable enough for frequent handling.

Features

- Thermal lamination pouch includes visible EZUse™ features that magically disappear after lamination
- Alignment guides make centering documents easy
- Mil icons clearly identify pouch thickness to help you select best laminator settings
- Directional arrows indicate which edge of pouch should be loaded into laminator first
- UV protection prevents fading and discoloration over time
- 3 mil
- Letter size
- 100 pouches per box
