Features

- Create stunning results with our clean, crisp and easy to use laminating pouches. They produce documents that are vividly bright and durably protected against wear and tear.
- With a glossy finish and clear results, your laminated items will stand out. Ideal for display or professional use, the text details and image colors will remain bold over time.
- Get more done in less time. When used with a 12" laminator, these speed pouches can be fed into the machine on the longer sealed side, which reduces processing time by 22%.
- The 3 mil thick pouches provide solid protection with versatile flexibility. These 11 1/2" x 9" pouches are perfect for letter sized documents. Pack includes 200 pouches.
- Pouches are compatible with any thermal laminator, including the GBC Fusion 7000L, GBC HeatSeal H700 and GBC Inspire series, sold separately.
