Features

- Create stunning results with our clean, crisp and easy to use laminating pouches. They produce documents that are vividly bright and durably protected against wear and tear.
- With a glossy finish and clear results, your laminated items will stand out. Ideal for display or professional use, the text details and image colors will remain bold over time.
- 5 mil thick pouches provide solid protection while retaining limited flexibility. Photo sized pouches measure 4 1/4" x 6 5/16". Pack includes 10 pouches.
- Pouches are compatible with any thermal laminator, including the GBC Fusion 7000L, GBC HeatSeal H700 and GBC Inspire series, sold separately.
