

GBC EZUse Thermal Laminating Pouches, Letter Size, 5 mil, 10 Pack

3747324

Product Description

Preserve your most important documents. Designed for simple loading and alignment, GBC EZUse Thermal Laminating Pouches are perfect for quick and even lamination.

Features

- Pouches have UV protection, which prevents fading and discoloration.
- Alignment guides keep documents centered evenly in the pouch
- Mil icons on the pouch help you select the best laminator setting
- Arrow icons help you correctly load the pouch into your laminator
- Alignment guides, mil icons and arrows disappear after lamination is complete
- 5 mil thick pouches provide solid protection with limited flexibility
- Compatible with any thermal laminator
